## Sculptures, prints, public art, large projects, assemblages, experimental photography

Wolfgang Gowin produced sculptures and art projects for several decades. Collectors as well as museums have bought his works. He works with steel, copper, concrete, wood, multiple materials, found objects. Installations and public art projects have been accomplished in teamwork with architects, local institutions, and state-related departments.

Gowin has participated in more than two hundred group exhibitions and about twenty solo shows in the US, Germany, Australia, and Costa Rica. Small and large public art projects have been managed and completed successfully by him in Germany, Costa Rica, the US, and Australia.

Wolfgang Gowin received several prizes in non-European countries. He was granted over a million Euro for a large-scale project in Brandenburg, Germany.

He can be reached via email at [wolfganggowin@netscape.net](mailto:wolfganggowin@netscape.net). After email contact, he will contact you by telephone.
